

## **Reliance Global Call subscribers cross the 2.2 million mark**

Reliance Global Call remains the undisputed leader of choice for subscribers across America, Europe, Australia and Asia to call India

Strong growth is testimony to its excellent customer experience and call quality

**NEW YORK – Dec 18, 2009** – Reliance Global Call, the leading global web based calling card service provider, today announced that a record 2.2 million subscribers now use Reliance Global Call to call over 200 countries, thus maintaining a clear lead in the global web-based calling card service market.

Reliance Global Call has delighted users across America, the U.K., Australia and Asia, and it offers calls to over 200 countries across the globe at amazingly low rates. With unmatched voice clarity, easy accessibility and ease of use, users can call from any phone from anywhere and using any device. The service has a host of incredible features like direct phone book dialing, Auto Recharge, IVR Recharge and many more. The service is available online at [www.relianceglobalcall.com](http://www.relianceglobalcall.com) or by calling the toll-free number +1 (888) 673 5426.

According to Dr. Lopita Nath of Norton, Virginia, "Being so far from India, Reliance Global Call allows me the closeness with my friends and family that I miss so much. It is excellent in quality, reliable and user friendly. The global service has made it so wonderful to call friends and family everywhere. Their service is commendable. One site, one account, one balance and I can reach out to the world. That is Reliance Global Call to me."

"Reliance Global Call is happy to increase its market share and add new customers from America, Europe, Australia and Asia. The customer additions are a true testimony of the excellent call quality, service experience and strong product proposition offered by Reliance Global Call," said Michael Sauer, President, Global Voice, Reliance Globalcom.
